

Virtual Meeting & Electronic Voting Survey Results

COVID-19 lockdown restrictions necessitated virtual board and community association meetings. Anecdotal feedback led CAI to conduct a survey, in which 721 people around the U.S. participated.

Who responded:

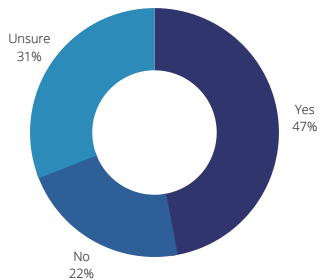

What type of community association do you represent?

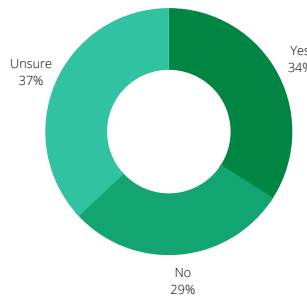

Governing documents currently allow:

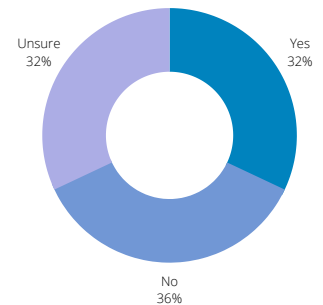

Virtual board meetings

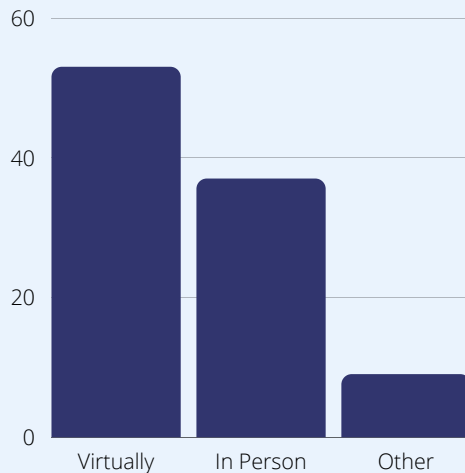

Virtual annual membership meetings

Electrically conducted Board of directors elections

Preferred meeting:

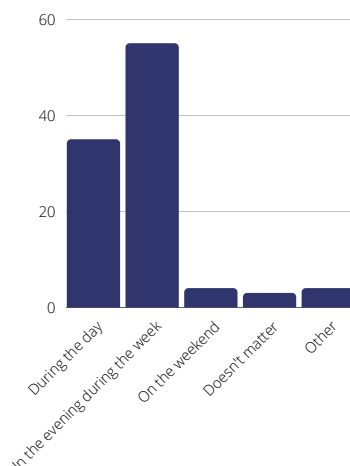

Which of the following has your community experienced with virtual meetings?

Increased efficiency for association operations	49%
Increased resident participation/engagement	51%
Decreased resident engagement	17%
No impact of resident engagement	22%
Increased board member participation	29%
Decreased board member participation	3%
No impact on board member participation	46%
Shorter board meetings	54%
Longer board meetings	15%

Preferred meeting time:

What is the ideal time for your board meetings to be held?

Virtual meetings provide the community with an opportunity to hold board meetings during ideal times?
